

The Connections Times Quarterly Newsletter

Spring 2023

Spring has Sprung at the Connection and we are so excited to have another installment of the newsletter for you. We are building out our calendar for the year and we have so many events coming up including our monthly dinner clubs, support groups, game nights and more! Make sure you are following us on Facebook to keep up!

A Note from Pam

I can't believe that it is already April! The first quarter of the year has gone by fast. I am so excited to see all the activities that we have coming up. This month was our first Dinner Club since before that "C" word shut everything down. This is a great opportunity to meet up with family and friends, grab a bite to eat and meet some of our other participants, staff and volunteers. We had a great turn out and look forward to seeing everyone next month! Be on the lookout for where each one will be held.

It has been wonderful to see new faces both in our Bridge program as well as at the Community Connection. We strive to make sure that we always hold true to our values and mission; to help each participant make progress towards their personal goals of independence and to always keep everyone engaged and moving forward in everything that we do. See you all soon!

Confirmed for the
second year!

Save the Date!

Denim and
Diamonds
October 14th

So...What have we been up to?

We have been busy bees preparing for Spring! We are continuing our healthy relationships and Pre-ETS programming, as well as participating in fun activities such as bowling, card making, and filling the Easter eggs for Calvert Yard Cards! This month, we have brought back our monthly dinner club for more socialization opportunities out in the community! If you have a special Skill, hobby, or craft you would like to come teach us-we would love to have you! Just reach out to Rachel.

Member Spotlight Amy Walker

Amy is one of our newer participants in the day program! She has been coming to Community Connection throughout the years and decided to expand to 3 days a week at the program! We asked Amy what she likes about the program, and she said that she likes the chance to meet and talk with new friends. Amy said she likes being around people who feel like her and the activities we do are fun! Thanks for joinina us. Amv!

Rachel's Corner

We are starting the prep phase for Denim and Diamonds. We are excited that last year was a success and we are setting the bar even higher this year! If you are interested in being a part of our volunteer committee, please reach out so that we can keep you in the loop!

We are ramping up our calendar with more events and we would love to hear from you on what you would like to see! Need to get some volunteer hours this summer? Let us know!
